

Accessibility Statement

DG SANTE is committed to ensuring digital accessibility for people with disabilities.

We are continually improving the user experience for everyone and applying the relevant accessibility standards in the EU Health Policy Platform: <https://webgate.ec.europa.eu/hpf/>

The EU Health Policy Platform is being systematically audited by accessibility experts.

Feedback

We welcome your feedback on the accessibility of the EU Health Policy Platform. Please let us know if you encounter accessibility barriers by sending an email to SANTE-HPP@ec.europa.eu

Technical specifications

Accessibility of the EU Health Policy Platform relies on the following technologies to work with the combination of web browser and any assistive technologies or plugins installed on your computer:

- HTML
- WAI-ARIA
- CSS
- JavaScript

These technologies are relied upon for conformance with the accessibility standards used.

Assessment approach

DG SANTE assessed the accessibility of EU Health Policy Platform by the following approaches:

- Self-evaluation
- Audit by an accessibility expert
- Using tools, such as:
 - Lighthouse <https://developers.google.com/web/tools/lighthouse/>
 - Wave <https://wave.webaim.org/>
